## Summary

---

Entry-level Software Developer skilled in C, Python, and modern web development. Experienced in building software projects and leading a team during the Smart India Hackathon. Strong in problem-solving, debugging, and writing clean code. Passionate about developing scalable applications and contributing to high-performing engineering teams.

## Technical Skills

---

**Languages:** C, Python(Basic), JavaScript(ES6+)

**Web Technologies:** Next.js(Basic), FastAPI, Tailwind CSS, HTML5, CSS3

**Databases:** MySQL (Basic)

**Tools:** Git, GitHub, VS Code, OpenAI Codex, Canva

**Core Concepts:** Data Structures & Algorithms (Basic), Debugging, Logic

## Projects

---

### Jarvis Speech Assistant (Python)

 [https://github.com/rahulk79342-hub/Jarvis\\_speech\\_assistance.git](https://github.com/rahulk79342-hub/Jarvis_speech_assistance.git)

- Built a voice-controlled assistant using Python libraries for speech recognition.
- Automated basic tasks such as opening applications and responding to voice commands.

### Smart Attendance System (SIH Internal Hackathon Prototype)

*Team Leader*

 [https://github.com/rahulk79342-hub/Smart\\_Attendence\\_repo\\_github.git](https://github.com/rahulk79342-hub/Smart_Attendence_repo_github.git)

- Led a team to design a prototype for improving attendance management in rural schools.
- Coordinated idea brainstorming, requirement analysis, and solution planning.
- Enhanced leadership, teamwork, and real-world problem-solving skills.

### Student Management System

 [https://github.com/rahulk79342-hub/Student\\_Management\\_system.git](https://github.com/rahulk79342-hub/Student_Management_system.git)

- Developed a system to manage student records using structured programming concepts.
- Implemented core features such as data entry, retrieval, and basic validation.

## Training & Certifications

---

### 45-Day Industrial Training – C Programming

Udemy

- Gained strong understanding of C fundamentals, syntax, and problem-solving techniques.

### 45-Day Industrial Training – Web Designing (Basics)

Solitaire Infosys, Mohali

- Hands-on experience with HTML, CSS, and introductory JavaScript concepts.

## Education

---

### Master of Computer Applications (MCA)

Career Point University

2024 – 2026

Hamirpur, HP

### Bachelor of Computer Applications (BCA)

Career Point University

2021 – 2024

Hamirpur, HP

## Soft Skills

---

Communication, Problem Solving, Team Collaboration, Time Management, Adaptability, Active Listening
